

WHAT IS MOMENT MINISTRIES?

WHAT DOES IT TRULY MEAN TO BE A DAUGHTER OF OUR HEAVENLY FATHER, OF THE ALMIGHTY GOD, THE MOST HIGH KING?

Our middle school and high school years can be some of our most difficult years. We often hear “just survive these years and life will get better.”

BUT WHAT IF THERE IS SOMETHING MORE during this season of life than just something to “get through”? What if there is a purpose and a plan God has for us

girls during this time? What if there is beauty and value in us God wants to use to impact others?

THE MISSION OF MOMENT MINISTRIES IS FOR YOUNG WOMEN AND GIRLS TO BE INSPIRED AND EQUIPPED AS GOD'S YOUNG DAUGHTERS TO UNDERSTAND THEIR BEAUTY AND VALUE IN CHRIST THAT HAS PURPOSE TO RADICALLY CHANGE THE WORLD.

My name is Allison Eide and I am a singer, songwriter, and speaker. I travel nationally speaking and singing for student ministries, retreats, youth conferences, camps, and more. Moment Ministries is born out of my heart for young women and girls to understand and experience the unchanging deep beauty and value that God created within them. Moment Ministries is a conference for young women and girls, where we will have an exciting opportunity to pour into those attending. These students will be given leadership and discipleship skills and will learn how to dig into Scripture and start to understand God's truth for themselves. These girls will be able to...

**Experience what it means to feel beautiful*

**Learn how fear is the core of everything "not Jesus"*

**Discover what it means to be loved by God*

**Understand the beauty in waiting for the man God is preparing for them someday*

**Create goals, dreams, and standards for themselves*

**Leave equipped with a plan to impact their surrounding communities*

All these things happen through messages, music/worship, projects, workshops, small groups, fellowship, Q/As, Scriptural studies, games, and more. THESE GIRLS WILL WALK AWAY WITH A DEEP CONFIDENCE IN WHO THEY ARE IN CHRIST THAT CANNOT BE SHAKEN BY THE WORLD.
